**February 2010**

**Dear Friend:**

**The Disabled Students Program at Fresno City College would like to invite you to participate in our annual Disability Awareness Day (DAD). This year's event will be held in conjunction with the campus "Showcase," scheduled for March 25, 2010.**

**As in the past, DAD offers students and staff at Fresno City College, as well as high school seniors, an opportunity to learn more about disabilities and support services available in the community. This year's outreach should be even greater because of the high school students and community representatives who will be on campus to participate in "Showcase."**

**Disability Awareness Day will again be located along the main walkway between the Student Services and Administration buildings and the Library, an area offering more visibility and putting us more in the mainstream of activities. Because of the logistics in coordinating these events, we hope that you will mark your calendars now and confirm your participation by returning the enclosed information section.**

**We look forward to your participation and continued support of the programs at Fresno City College. If you have any questions, please give me a call at 442-8237 or email me at [pam.tibbet@fresnocitycollege.edu](mailto:pam.tibbet@fresnocitycollege.edu). I will be sending additional information as the date for DAD nears.**

**Sincerely,**
